How to build your poster 海報怎麼做

1. Cut out the 8 **line cards** and 16 plain coins on the cut-out sheet (page 5). Cut along the dashed lines.
   沿著虛線剪下剪紙單（第5頁）上的8張**項目卡**和16枚白色硬幣。
2. Turn the poster sideways (landscape). Glue the 8 line cards in a row across the top. Each card is the top of one column.
   海報橫放，把8張項目卡橫排貼在最上方，每張卡是一個欄位的標題。
3. Write your team name on the poster.
   在海報上寫下組名。

Starting budget 期初預算 (7 minutes)

1. Put your **16 plain coins** (NT$8,000,000) under the lines. Glue them down in a column under each card.
   把**16枚白色硬幣**（800萬元）分配到各項目，貼在項目卡下方的欄位裡。
2. **Rules 規則:** every line needs **at least 1 coin**, or it closes. **Rent & utilities** needs **at least 2 coins** at all times.
   每個項目**至少一枚**，否則就停辦。**房租水電**任何時候都要**至少兩枚**。
3. Think: How many social workers do you need? What else must you pay for? You can't do everything.
   想一想：需要幾位社工？還有什麼一定要付？你們不可能什麼都做。

Each scenario 每一個情境 (8 minutes)

1. Your teacher gives you a **scenario page**. Read it together. (4 minutes)
   老師發下**情境單**，全組一起閱讀。

3. The Recorder fills in the boxes on the scenario page. The Treasurer updates the money tracker below.

4. Your teacher picks some teams. The Speaker reads the English sentence; the Explainer adds Chinese. (3–4 minutes)
   老師抽幾組報告：發言人念英文句子，補充說明員用中文補充。

Closing a line 停辦一個項目: If every coin under a line is covered by CUT strips, that line closes. Write **CLOSED 停辦** on its card and tell the class who loses that service.
如果某個項目底下的硬幣全部被刪減條蓋住，這個項目就停辦。在項目卡上寫**「CLOSED 停辦」**，並告訴全班誰會失去這項服務。

The three Es 三個E: how to explain a decision 如何說明你的決定

Every time you cut or spend money, use one of these three words. 每次刪減或花錢時，請用下面其中一個詞說明理由。

Word 詞	Meaning 意思	Ask yourself 問自己 · Example 例子
Economy **經濟**	Getting what we need at the **lowest cost**. 用**最低的成本**取得需要的資源。	"Is there a cheaper way to get the same thing?" 「有沒有更便宜的方法得到一樣的東西？」 We moved to a smaller office, so rent costs less.
Efficiency **效率**	The **most output** from the **least input**. 用**最少的投入**得到**最多的產出**。	"Which line gives the most service for each coin?" 「哪一個項目每一枚硬幣能提供最多服務？」 One volunteer coordinator brings 30 volunteers.
Effectiveness **效能**	How far we **reach our goals**: real change for clients. **達成目標**的程度：案主真正的改變。	"Which line really changes clients' lives?" 「哪一個項目真正改變案主的生活？」 Home visits keep older adults safe at home.

SENTENCE FRAME 句型 · use it when you cut 刪減時使用

We cut _____ because it is the least _____ (economical / efficient / effective). The people who lose are _____.

我們刪減了_____，因為它是最不_____（經濟／有效率／有效能）的。受影響的人是_____。

Money tracker 經費追蹤表 (Treasurer 財務長)

Round 回合	Coins added 增加	Coins cut 刪減	Active coins 有效硬幣	Total NT$ 總金額
Start 期初	16	0	16	8,000,000
1 · The 20% Cut				
2 · Restricted Grant				
3 · Two Workers Quit				
4 · Matching Funds				
5 · The Evaluation				

Active coins = coins NOT covered by a CUT strip. Total NT$ = active coins × 500,000. 有效硬幣＝沒有被刪減條蓋住的硬幣；總金額＝有效硬幣 × 50萬。

At the end: finish your poster 最後：完成海報

1. Write your **final total** (NT$) at the bottom of the poster.
   在海報下方寫上**最後總金額**。

4. Put the five scenario pages and this booklet together and hand them in with your poster.

Remember 提醒： There is no single right answer. You are judged on clear reasons, real consequences ("who gets hurt"), and correct use of the three Es.
沒有唯一正確答案。評分重點是：理由清楚、說出真實的後果（誰受影響），並正確使用三個E。
